

THE CORPORATION OF THE  
TOWNSHIP OF ASPHODEL-NORWOOD

BY-LAW No. 2018-38

---

**A By-Law to provide for the collection, removal, and disposal of waste**

A By-Law to repeal By-Law 2017-67 of the Township of Asphodel-Norwood and to provide for the collection, removal and disposal of waste materials for the benefit of the residents/ratepayers of the Township pursuant to the Municipal Act, 2001, S.O. 2001.

**WHEREAS** Section 11 (3) of the Municipal Act, 2001, S.O. 2001, provides that a single-tier municipality may pass By-Laws respecting matters within the jurisdiction of waste management; and

**WHEREAS** Section 391 (1) of the Municipal Act, 2001, S.O. 2001, provides that a municipality may pass By-Laws imposing fees or charges on any class of persons,

- a) for services or activities provided for or done by or on behalf of it;
- b) for costs payable by it for services or activities provided or done by or on behalf of any other municipality or local board; and
- c) for the use of its property including property not under its control; and

**WHEREAS** the Council of the Corporation of the Township of Asphodel-Norwood deems it desirable to establish, maintain, and regulate the disposal of waste, recyclables, and other refuse at the Municipal Transfer Station;

**WHEREAS** it has been deemed expedient to pass such a By-Law;

**NOW THEREFORE** the Municipal Council of the Corporation of the Township of Asphodel-Norwood enacts as follows:

**1.0 DEFINITIONS**

**1.1 Attendant**

**'Attendant'** means a person hired by the Township and assigned to oversee the Municipal Transfer Station.

**1.2 Bag Tag**

**1.16 Waste**

**'Waste'** means garbage, refuse, and other waste that cannot be reused or recycled that is generated from acceptable sources (i.e. domestic household, commercial etc.) and approved for disposal by the Ministry of the Environment and Climate Change and this By-Law at the curbside and/or Transfer Station.

**2.0 SCHEDULES**

The following Schedules shall form part of this By-Law:

- Schedule A – Garbage Collection Schedule
- Schedule B – Brush & Yard Waste
- Schedule C – Waste
- Schedule D – Household Hazardous Waste
- Schedule E – White Goods/Metal Recycling
- Schedule F – Furniture (Bulky Goods)
- Schedule G – Construction/Demolition Material
- Schedule H – Blue Box Material

**3.0 GENERAL PROVISIONS**

- 3.1 The Transfer Station shall be operated and maintained by the Township in accordance with the terms and conditions of the Site Certificate of Approval, the provisions of this By-Law, and the requirements of the Ministry of the Environment and Climate Change.
- 3.2 Tipping fees charged under this By-Law shall be in accordance with the Township of Asphodel-Norwood Fees and Charges By-Law.
- 3.3 No unauthorized person shall deposit any waste at the Transfer Station during those times which the site is closed to the public.
- 3.4 No person shall deposit any waste at any location in the Township other than at a Transfer Station, with the exception of approved common collection areas.
- 3.5 The Township shall appoint Attendants as required to supervise and oversee the operation and use of the Transfer Station during regular hours. The decision of the Attendant is final with respect to the use of the Transfer Station.
- 3.6 All persons shall allow their vehicle and clear waste bag(s) to be inspected by the Attendant. Any person refusing an inspection shall be refused access to the Transfer Station.
- 3.7 No person shall be permitted to enter the Transfer Station with a non-transparent opaque bag(s) other than the privacy bag permitted. Non-transparent opaque bags must be replaced with clear waste bags.
- 3.8 Containers of approximately 57 litres (15 gallons) may be used to hold each clear waste bag, but the bag must be removed from the container for inspection at the request of an Attendant. If the Attendant's request for inspection is denied, the waste may not be disposed of and must be removed from the site.
- 3.9 Each clear waste bag shall not contain more than ten (10%) percent of recyclable material (**zero** blue box material – See Schedule H). Bags of waste that visibly contain more than ten (10%) percent recyclable material (diversion programs

- 
- offered at the site other than blue box) may not be disposed of and must be removed from the site.
- 3.10 The use of one (1) small non-transparent opaque bag no larger than 12" by 18" (30 cm by 45 cm) is permitted to conceal personal items within each clear waste bag.
- 3.11 All persons shall dispose of waste at the Transfer Station in accordance with the directions of the Attendant and in accordance with the provisions of this By-Law.
- 3.12 The Attendant shall be and is hereby authorized to refuse access to the Transfer Station any person who is in contravention of any provision of this By-Law, as may be reasonably determined by the Attendant.
- 3.13 All persons refused access to or use of the Transfer Station shall be referred to the Municipal Office by the Attendant to review the grounds of such access refusal, such grounds to be provided to that person by the Attendant.
- 3.14 The Attendant shall be and is hereby authorized to refuse waste at the Transfer Station that has not been separated into recyclables and non-recyclables, that contains household hazardous waste, waste not contained in a clear waste bag, or the clear waste bag visibly contains more than ten (10%) percent recyclable material or any blue box material (see Schedule H).
- 3.15 No person shall scatter materials in the Transfer Station area and all waste shall be placed in the location designated for it as directed by the Attendant.
- 3.16 No person shall scavenge or salvage from the Transfer Station and all persons doing so shall be deemed in breach of this By-Law. All waste and recyclable material at the Transfer Station is the property of the Township.
- 3.17 No person shall dispose, or cause to be disposed, of waste at the Transfer Station that originates or is generated from a location or use outside of the Township.
- 3.18 Waste and recyclable material that is disposed of at the Transfer Station shall be bagged in clear waste plastic bags, bundled, boxed, securely wrapped or placed in the appropriate recycling container (except for large or bulky items and loose construction material).
- 3.19 No person shall transport waste or recyclable material to the Transfer Station except so contained and transported as not to be blown or scattered from the transport vehicle and no person shall leave deposits or cause to be deposited waste of any kind on any highway, road, fire route, water course, private or public property.
- 3.20 No person shall discharge a firearm (as defined in the Firearms Act) at the Transfer Station.
- 3.21 Proof of residency/ownership must be presented to the Transfer Station Attendant prior to being permitted to make use of the Asphodel-Norwood Transfer Station site.
- 3.22 Residents are encouraged to make use of the curbside waste collection system. Waste disposed of at the Asphodel-Norwood Transfer Station site will have an additional fee charged in accordance with the current Township of Asphodel-Norwood Fees and Charges By-Law as bag tags are not applicable on site.

**4.0 CURBSIDE COLLECTION**

- 4.1 Curbside collection shall be made from all approved locations within the collection area.
- 4.2 The collection of residential household waste and non-recyclable materials as defined in, and on behalf of the Township, shall be made once each week in the collection area.
- 4.3 Residents are encouraged to make use of the curbside pickup program as defined in this By-law and limit the materials transferred to the Asphodel-Norwood Transfer Station site.
- 4.4 Material set out for collection shall normally be placed on the same side of the road as mailboxes, or should be placed as close as possible to the edge of the road without obstructing the roadway or mail delivery services (as near as possible to the curb or travelled roadway or, where the curb forms part of the sidewalk at the front or rear of the property in a place of easiest access to the Contractor/Collector and at ground level). The Manager of Public Works and Environmental Services or their designate shall have the authority to designate the precise point at which material shall be placed for collection.
- 4.5 Occupants shall ensure that each individual and separate residential waste collection container is located so as not to impede or obstruct pedestrian or vehicular traffic or road maintenance operations, so as not to endanger the safety of the contractor or any other persons.
- 4.6 Occupants shall ensure that each individual and separate clear waste bag as defined in Section 1, containing household/residential waste material for removal by the Collector/Contractor shall be placed at the edge of the roadway and not on a highway or other public property (i.e. parks, township roadway, thoroughfare) and in no case before 6:00 p.m. local time on the day prior to the date fixed for collection and shall be placed at the prescribed location no later than 7:00 a.m. local time on the day of collection.
- 4.7 Every owner and/or occupant shall ensure that, during winter conditions no clear waste bag set out for collection is located on top of any snow bank and that the area in which the clear waste bag is located is free of snow and ice to provide for ready and safe access by the Collector/Contractor.
- 4.8 Occupants shall ensure that all waste containers and/or recycling/resource receptacles are removed from the edge of the roadway and returned to private property no later than 8:00 p.m. local time on the same day as is fixed for collection.
- 4.9 Every owner or occupant shall maintain the edge of the roadway that is continuous with their lot lines, free of household residential waste, recyclable/resource materials and non-collectible waste. Every effort must be made during significant weather events such as winds to maintain waste materials in the container/clear waste bag.
- 4.10 The total amount of residential waste that will be collected from any one residential curbside premise is limited to two (2) clear waste bags (as defined in Section 1) per collection.
- 4.11 Any commercial, educational, religious, multi-residential or municipal establishment in the collection area shall consist of a total of no more than six (6) clear waste bags (as defined in Section 1), per collection.

THE CORPORATION OF THE  
TOWNSHIP OF ASPHODEL-NORWOOD

BY-LAW No. 2018-38

---

- 4.12 Construction debris, major appliances, and large household furnishings shall not be collected by the Township but may be disposed of by an owner or their authorized agent at the Asphodel-Norwood Transfer Station site where charges will be assessed for the use of the site in accordance to the current Township of Asphodel-Norwood Fees and Charges By-Law.
- 4.13 Recyclable/resource materials as defined shall be collected curbside and the program is administered by the County of Peterborough's recycling program once each week in the collection area and in accordance with the County of Peterborough Recycling Collection Program Policy and Procedures.
- 4.14 Notwithstanding Section 4.1 and 4.2, waste materials and non-recyclable waste may be disposed of by an owner or tenant of land in the collection area, or their authorized agent, at the Asphodel-Norwood Transfer Station site with proof of residency, where charges will be assessed for the use of the site according to the current Township of Asphodel-Norwood Fees and Charges By-Law.
- 4.15 No scavenging or salvaging of any description shall be conducted on the collection routes.
- 4.16 When construction is being performed on any road or road allowance, all items are to be placed as close as practical to an access point for the collection unit.
- 4.17 The contractor shall make reasonable efforts to traverse roads under construction in order to provide collection service, but if the contractor deems the road impassable, the contractor shall notify the Township immediately. The Township shall advise the Collection Contractor of the agreed solution between the Township and the Construction Contractor. It is the Construction Contractor's responsibility to get the containers/clear waste bags to a safe area for the Collection Contractor to collect. It shall also be the Construction Contractor's responsibility to communicate with the residents as well as return any waste containers to the rightful owners after the day's collection.

**5.0 BAG TAG POLICY**

- 5.1 A user pay system has been implemented within the Township, whereby only waste placed in the appropriate clear waste bag or medical waste bag (as defined in Section 1) and affixed with the proper bag tag will be collected by the Collector/Contractor. Any waste that is not properly tagged with an official Township of Asphodel-Norwood bag tag will not be picked up, and a sticker will be placed on the clear waste bag by the Collector/Contractor indicating that the waste was not collected because it was not tagged. Official Township of Asphodel-Norwood bag tags can be purchased at the Municipal Office and local authorized retail outlets in the amount that is prescribed in the current Township of Asphodel-Norwood Fees and Charges By-Law.

**6.0 RECYCLABLES, ORGANIC WASTE, HOUSEHOLD HAZARDOUS WASTE, WHITE GOODS/METAL FURNITURE, BRUSH, AND YARD WASTE**

- 6.1 Recycling is available at the Transfer Station and must be carried out in accordance with the County of Peterborough Mandatory Recycling By-Law. A partial list of acceptable materials is available on the County of Peterborough website or by request to the Township. There is no charge for disposal of recyclable material. Note: Blue box recyclables are **banned** from the County Landfill.

- 6.2 WEEE (Waste Electrical and Electronic Equipment) is currently accepted at the Transfer Station free of charge and must be placed in the designated area. Examples include but are not limited to home electronics, computers, toasters, etc.
- 6.3 White goods and metals are accepted at the Transfer Station. A list of acceptable items is outlined in Schedule E. All doors and lids shall be removed from refrigerators and freezers or they will not be accepted. For fees, please refer to the Township of Asphodel-Norwood Fees and Charges By-Law.
- 6.4 Furniture and bulky goods are accepted at the Transfer Station. A list of items classified as furniture and bulky goods is outlined in Schedule F. All furniture and bulky goods are subject to a tipping fee in accordance with the Township of Asphodel-Norwood Fees and Charges By-Law.
- 6.5 Brush and yard waste are accepted at the Transfer Station. A list of acceptable and non-acceptable items is outlined in Schedule B.
- 6.6 Construction and demolition materials are accepted at the Transfer Station. A list of items classified as construction and demolition material is outlined in Schedule G. All construction and demolition material is subject to a tipping fee in accordance with the Township of Asphodel-Norwood Fees and Charges By-Law.
- 6.7 Dry cell battery recycling is available at the Transfer Station and the Municipal Office and is free of charge. Examples include but are not limited to A, AA, C, D, and watch batteries.
- 6.8 Textile/clothing recycling is available at the Transfer Station and is free of charge.
- 6.9 Alcohol beverage container recycling is available at the Transfer Station and is free of charge.

**7.0 EXEMPTIONS**

- 7.1 A resident may receive an exemption from the clear waste bag requirement, for the purposes of medical waste disposal. An authorization from the Township of Asphodel-Norwood must be obtained in advance of placing the waste for curbside collection or disposal at the Transfer Station. A medical waste bag tag must be purchased and affixed on the bag. In order to receive the exemption a doctor's note will be required.

**8.0 PENALTIES AND ENFORCEMENT**

- 8.1 Any person guilty of an infraction of any provision of this By-Law shall on conviction pay a fine or penalty not exceeding \$5,000.00 exclusive of costs, for each and every offence and such penalty shall be recoverable under the Provincial Offences Act. Upon conviction for a breach of the provisions of this By-Law, the court of jurisdiction may make an order prohibiting the continuation or repetition of the offence by the Offender.
- 8.2 Where a person fails or defaults to carry out any direction or action required by the Township as authorized by this By-Law, upon reasonable and written notice the Township may proceed to do such things or carry out such actions as directed at the expense of the person and such expense may be recovered by the Township in a like manner to taxes in accordance with Section 446 of the Municipal Act, 2001, S.O. 2001, c. 25 and amendments thereto.

TOWNSHIP OF ASPHODEL-NORWOOD

BY-LAW No. 2018-38

---

8.3 Should any section, clause, or provision in this By-Law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of this By-Law shall not be affected.

**9.0 PRIVATE PROPERTY**

9.1 No waste collection vehicle owned or contracted by the Township shall enter a privately owned roadway or land or other private property for the purpose of waste collection, save and except those roadways determined by the Township Representative in consultation with the Township administrator and/or Council, to be safe for passage and so designated for curbside collection as defined in Section 1.5 Central Collection Area.

9.2 Collection from private roads will occur at a Central Collection Area near the private road, but on the public road as defined in Section 1.5 Central Collection Area.

**10.0 PROHIBITIONS**

10.1 No person shall pick over, interfere with, disturb, remove or scatter any bundle, article or thing placed for removal in containers/clear waste bags, or otherwise placed for removal.

10.2 No person shall keep a waste dump or container for waste material on their premises in such a condition or in such a location that the same is a nuisance or emits foul or offensive odours or harbours or attracts unwanted animals, rats or other vermin or insects, and the body of any such dead animal must be disposed of promptly by the owner, so that the same shall not become a nuisance.

10.3 Any materials being transported to the Asphodel-Norwood Transfer Station site must be covered in such a manner as not to blow with the wind or leave deposits along the roadways in accordance with the Highway Traffic Act. Failure to transport materials in said manner could result in refusal to entry to the Transfer Station site.

10.4 No person shall permit any waste materials or recyclables to be blown or dropped from the premises occupied by them on to any roadway or private property in the Township.

10.5 No person shall place, or permit to be placed, or remain on or in any street, any article or object in the nature of waste except as herein expressly authorized or as may be approved by the Township Representative.

**11.0 TRANSFER STATION LOCATION**

11.1 The following land shall be established as a Municipal Transfer Station: 187 County Road 40, legally described as Concession 8 and 9, Part Lot 19, Plan 11, Part Lots 152 & 154, Lots 155 to 161 and 168 to 170, Asphodel-Norwood.
