

PRESS RELEASE

COVID-19 Update – Asphodel-Norwood Transfer Station Closure

FOR IMMEDIATE RELEASE.

March 24, 2020

To further support the Township of Asphodel-Norwood's full commitment to our community during the increased daily threat of COVID-19, the Asphodel-Norwood Transfer Station will be closed effective immediately. This closure will remain in effect until further notice, with the decision being reviewed on a consistent basis.

The decision to close is due to increased risk to the users and the employees of the Transfer Station. The recent non-compliance and disregard of the protective measures implemented at the Transfer Station jeopardized the community, therefore making this closure necessary.

The Township is urging residents to utilize weekly curbside collection for both garbage and recycling. Bag tags can still be purchased at the following locations:

- Norwood Convenience
- Norwood Foodland
- Norwood Home Hardware
- Ultramar Convenience
- Hastings C Convenience
- Hastings Home Hardware
- Todd's Valu-mart

Thank you for your patience, understanding and co-operation during these unprecedented times.

If you have any questions or concerns regarding the operation of the Transfer Station, please do not hesitate to contact the Municipal Office at 705-639-5343.
