

## Tuesday June 8, 2021

- Council received a presentation on All Terrain Vehicle (ATV) and Off-Road Vehicle (ORV) use on Township roadways from Chris Galeazza, Michael Cavanagh, and Lisa Darling of the Ontario Provincial Police – Peterborough County Detachment;
- Construction updates were shared for the following projects:
  - Transfer Station Bridge Replacement
    - DM Wills & Associates (consulting Engineer on the project) has released a Request for Quotation (RFQ) for a modular bridge to replace the existing bridge. The project is anticipated to last approximately 12 weeks with minimal interruption to the operating hours at the Transfer Station.
  - Centre Line Road Reconstruction
    - All cross culverts have been replaced, ditching on both sides of Centre Line has commenced, and the project is moving forward on-time and on-budget.
- The results of the following public surveys were released:
  - [ATV/ORV](#)
  - [Recreation Planning No. 2](#);
- Council directed staff to prepare a draft Off-Road Vehicle By-law for consideration; and
- Council passed the 2021 Tax Rates By-law.
