

Township of Asphodel-Norwood Council Meeting Highlights

Tuesday August 27, 2019

- Council was given status updates on the Medical Centre basement/exterior repairs and the launch of the next rebranding survey for public consultation
- Recruitment results were shared for the posted Community Centre/Facilities job vacancies, as well as for the Asphodel-Norwood Fire & Rescue team
- The CAO reported that her meeting with the Minister of Infrastructure at the 2019 AMO Conference in Ottawa went extremely well
- Council deferred the conversation pertaining to a Township contribution to the stray and feral cat colony in Norwood to the 2020 budget following a deputation from two concerned residents
- Council recommended approval of the new Procurement & Disposal policy through passage of By-law 2019-46
- Council approved the Zoning By-law Amendment application for 2307 Asphodel 8th Line to rezone the subject lands from the Rural Zone (RU) to the Residential One Zone (R1)
- The Committee of Adjustment approved the Minor Variance Application seeking relief from the Township Comprehensive Zoning By-law, permitting an increase to the maximum height allowance for a detached accessory storage garage at 105 County Road 40
