

TOWNSHIP OF ASPHODEL-NORWOOD

NOTICE OF STUDY COMPLETION

VILLAGE OF NORWOOD

Schedule 'B' Municipal Class Environmental Assessment

POTABLE WATER STORAGE

The Township of Asphodel-Norwood has completed a Class Environmental Assessment Study to assess alternative potable water storage solutions for the Village of Norwood. Currently, the Village's single standpipe does not have adequate capacity to service the current population. The study was undertaken in accordance with the planning and design process for Schedule 'B' projects of the *Municipal Class Environmental Assessment* (MCEA). The Schedule 'B' Class EA is recommending the construction of a new standpipe at the existing Water Treatment Plant.

The completed Schedule 'B' Class EA reports document the planning process of the study. By this notice, the Report is being placed on public record for a 30-day review period in accordance with the requirements of the Municipal Class EA. The documents can be accessed at the Township's website.

Interested persons may provide written comments to our project team by **FEBRUARY 19, 2022**. All comments and concerns should be sent directly to:

Matthew Morkem, P.Eng.
Project Manager
J.L. Richards & Associates Limited
mmorkem@jlrichards.ca

Kyle Beacock
Water and Wastewater Operations Manager
Township of Asphodel-Norwood
kbeacock@antownship.ca

In addition, a request may be made to the Ministry of the Environment, Conservation and Parks for an order requiring a higher level of study (i.e., requiring an individual/comprehensive EA approval before being able to proceed), or that conditions be imposed (e.g., require further studies), only on the grounds that the requested order may prevent, mitigate or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests on other grounds will not be considered. Requests should include the requester contact information and full name. Requests should specify what kind of order is being requested (request for conditions or a request for an individual/comprehensive environmental assessment), how an order may prevent, mitigate or remedy potential adverse impacts on Aboriginal and treaty rights, and any information in support of the statements in the request. This will ensure that the ministry is able to efficiently begin reviewing the request. The request should be sent in writing or by email to:

Minister of the Environment,
Conservation and Parks
777 Bay Street, 5th Floor
Toronto ON M7A 2J3
minister.mecp@ontario.ca

Director, Environmental Assessment Branch
Ministry of Environment, Conservation and Parks
135 St. Clair Ave. W, 1st Floor
Toronto ON, M4V 1P5
EABDirector@ontario.ca

Requests should also be copied to the Township of Asphodel-Norwood by mail or by e-mail. Please visit the ministry's website for more information on requests for orders under section 16 of the Environmental Assessment Act at <https://www.ontario.ca/page/class-environmental-assessments-part-ii-order>. All personal information included in your request – such as name, address, telephone number and property location – is collected, under the authority of section 30 of the Environmental Assessment Act and is collected and maintained for the purpose of creating a record that is available to the general public. As this information is collected for the purpose of a public record, the protection of personal information provided in the Freedom of Information and Protection of Privacy Act (FIPPA) does not apply (s.37). Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential.

If there is no request received by **FEBRUARY 19, 2022**, the Schedule B Class EA is deemed complete and valid for a 10-year period. The Township could then proceed with implementing the preferred alternative anytime within this 10-year window, as presented in the planning documentation.

Issued: January 20, 2022
