RFP 2022-01 – Expansion to Asphodel-Norwood Community Centre

The Township of Asphodel-Norwood is planning to build an addition to the existing Community Centre using the Design-Build procurement method. The addition is planned to include a fitness area, fitness studio for classes, change rooms/washrooms, and storage spaces. The proposed addition is envisioned to be single storey matching the existing exterior aesthetic and is to connect to the faces of the existing Community Centre that currently includes washrooms, canteen, vestibule, and multi-purpose room.

Suppliers interested in doing business with Asphodel-Norwood should visit the below supplier portal for more information:
