Fire Prevention Week

During Fire Prevention Week (October 5-11), the Asphodel-Norwood Fire & Rescue Department highlighted the 2025 campaign theme: **“Charge into Fire Safety: Lithium-Ion Batteries in Your Home.”**

Lithium-ion batteries power many everyday devices, but unsafe use can increase the risk of fire. Making smart choices when buying, charging, and recycling batteries helps keep our homes and community safe.

Three key steps to battery safety:

- Buy only certified and approved products
- Charge devices safely and according to manufacturer instructions
- Recycle batteries responsibly

Did you know? Battery drop-off locations are available throughout the Township at:

- Municipal Office
- Asphodel-Norwood Community Centre
- Norwood District Intermediate and High School
- Asphodel-Norwood Transfer Station

Cultural & Heritage Committee

[@asphodelnorwoodhistoricalsociety](https://www.facebook.com/asphodelnorwoodhistoricalsociety)

The Asphodel-Norwood Cultural & Heritage Committee (ANCHC) concluded its Peter Robison Bicentennial Year celebrations with a festive Irish Ceilidh at the Norwood Town Hall on November 18, 2025. The sold-out event featured traditional Irish-style food, live entertainment, and handcrafted centrepieces inspired by the fairy houses of Irish folklore. Pictured below are photos from the celebration, courtesy of Jeff Dornan.

The ANCHC extends its sincere appreciation to everyone who contributed to making the Asphodel-Norwood Peter Robison Bicentennial Year a resounding success, and proudly honours the 32 Irish families who courageously settled in our Township in 1825. May their stories live on!

The year's events were made possible, in part, through funding from the federal *Community Anniversaries – Building Communities through Arts and Heritage* program.

HOLIDAY

Night Market

November 29, 2025

Our community truly came together on Saturday, November 29, 2025 and we extend our sincere thanks to everyone who helped make the event such a success. This year, the Holiday Night Market was held earlier in the season to align with the Santa Claus Parade, hosted by Norwood Legion Branch 300, creating a festive evening of coordinated community celebrations.

We are grateful to our market vendors for sharing their creativity, talents, and holiday spirit, and to all the visitors and shoppers who supported local businesses and filled the evening with energy and kindness.

A special thank you goes to the local businesses that stayed open late - your holiday specials and community spirit added so much to the atmosphere.

We also extend our appreciation to the Asphodel-Norwood Public Library (ANPL) for hosting family-friendly children's activities and the popular Elfie Selfie photo booth, and to the Legion for organizing a truly fantastic Santa Claus Parade. Thank you to the Asphodel-Norwood Fire & Rescue for delivering an impressive fireworks display after the Parade.

Finally, we are thankful to everyone who donated food items or toys. Your generosity supports the Asphodel-Norwood Food Bank Association and the Norwood Lions Club Christmas Toy Drive, helping to brighten the holiday season for families throughout our community.
