## Strategic PLAN

UPDATE

25-April-2023

# Our Mission

We will provide a comprehensive range of municipal services in a sustainable, efficient and cost effective manner.

# Our Vision

The Township of Asphodel-Norwood is a safe, growing community, rich in heritage and offering a rural lifestyle.

# Our Values

## Community Building

Council members, staff, residents, businesses, and agencies working together to take steps towards solutions to issues affecting the community. The Township will focus on and grow the positive aspects of the community while understanding the community's aspirations and addressing change where it needs to happen.

## Collaboration

Council members, staff, residents, and agencies communicating with each other and working together to achieve results and deliver exceptional service.

## Integrity

Earning and sustaining public trust by serving public interest, using powers responsibly for the purpose they were intended and acting with honesty and transparency.

## Respect

To always have due regard for the values, rights or opinions of others.

## Professionalism

To possess the skill, good judgement and polite behaviour that is expected of the community.

## Proactive

To initiate change rather than reacting to events to ensure a system of mutual trust is in place.

## Accountable

To acknowledge and assume the responsibility of its actions, decisions, and policies.

## Transparency

To make reasoned decisions without bias by following fair and objective processes.

## Sustainability

To meet the current needs of the community without compromising the ability to provide long term municipal services to future generations. This includes financial, operational, and environmental sustainability.
